Hey Rick,

I hope you are doing well. I am sorry for not following up sooner.
I walked the alley today and notice trash and graffiti.

Please see attached.

Dear Gustavo,

Alex tells me he checks the alleys a number of times each week. It is possible, because of the schedule, that they could go a day or two without being picked up, but that would be it. Let me know where and when you are seeing trash or graffiti that does not get taken care of in a day or so, and I will bring to his attention and get back to you.

Thanks

Rick
